

Iron Syrup

Concentrated iron enriched molasses syrup with added B Vitamins, Vitamin K and Copper that is carefully formulated to promote red blood cell production and for extra support during training & convalescence.

DESCRIPTION

Stress and illness can increase the demand for iron in the diet, leading to deficiency and fatigue. Iron, combined with B Vitamins, Vitamin K & Copper, aids in the formation of red blood cells. Red blood cells carry haemoglobin which transports oxygen around the body and is necessary for a healthy circulatory and respiratory system and, therefore, for the health and stamina of the performance horse.

KEY FEATURES

- Iron boosting formula
- Supports red blood cell formation
- Palatable molasses taste
- Easily absorbed
- Includes Zinc to support the immune system and to promote faster healing times
- Vitamin K, known as the anti-haemorrhagic vitamin, essential for blood clotting and the maintenance of the horse's blood coagulation system
- Copper involved in the utilisation of iron stores in the body

KEY INGREDIENTS

Per 60 ml / 2 oz dose: **Vitamins:** Vitamin B1 160 mg, Vitamin B2 80 mg, Vitamin B6 30 mg, Vitamin B12 300 µg, Pantothenic Acid 80 mg, Folic Acid 20 mg, Niacin 200 mg, Biotin 1 mg, Vitamin K 5 mg. **Trace Elements:** Iron 175 mg, Copper 50 mg, Zinc 100 mg.
